

FOR IMMEDIATE RELEASE

## DANIEL PECK JOINS BIOWORKS AS PRODUCT DEVELOPMENT MANAGER

**Victor, New York** (August 11, 2015) – Daniel Peck, PhD has been named Product Development Manager at BioWorks, home to the RootShield®, CEASE®, Molt-X®, MilStop® and SuffOil-X® brands of biopesticides and Verdanta® and ON-Gard™ brands of biofertilizers. In his new position, Dr. Peck will be responsible for growing the BioWorks family of insect control products in new and existing markets while providing product and pest control expertise to both distributors and end-users.

Dr. Peck brings over 20 years of Entomology experience, recently focusing on turf-infesting, grass-feeding and soil-dwelling insect pests. He previously held positions at Cornell University and at the International Center for Tropical Agriculture. Dr. Peck’s primary responsibility at BioWorks will be to work closely with his colleagues in the Research and Development, Product Development and Technical Services areas to introduce new products and services in the specialty agriculture, horticulture and turf markets with a focus on insect control.

“Daniel is a welcome addition to the BioWorks team.” said Peter Epeira, Director of Research and Development. “His experience, knowledge and leadership will make substantial contributions to our growth and commitment to our customers.”

Dr. Peck may be reached by phone at 585-924-4362 x337, or by e-mail at [dpeck@bioworksinc.com](mailto:dpeck@bioworksinc.com)

### **About BioWorks**

BioWorks provides environmentally responsible, safe and effective products and tailored programs for managing plant diseases, pests, nutrition and health.

For more than 20 years BioWorks has been helping our customers in the horticulture, agriculture and turf markets develop effective and efficient custom programs using products that are safe and proven. We are continuously reinventing the way our customers work by providing biologically-based, integrated, safe solutions and programs.

BioWorks is a founding member of the BioPesticide Industry Alliance and also a proud sponsor of the [AFE scholarship program](#), funding the 'BioWorks IPM/Sustainable Practices Scholarship'. For more information, please visit [www.bioworksinc.com](http://www.bioworksinc.com).
